

Welcome to The King Stag and Happy Christmas from all the Team

The King Stag was opened by local brothers-in-law, David and Robert. Our aim was to open a pub that focused on locally sourced food and drink, attention to detail and would become a hub of the community.

Now in 2018, most of our suppliers are within 20 miles of the pub - Marbec Meats in Cricklewood; our green grocers, Sparshotts, in St Albans; artisan bakery, The Bread Factory, in Hendon; Woods Food Services, whose owner Darren is a regular in the pub; and Cheese Cellar in Covent Garden plus many more.

Equally important is our drinks offering. We use local suppliers for our ale and lager, we hold a great range of spirits and wines (try our home made spiced rum) and also offer our own house-blend coffee created by Smiths in Hemel Hempstead.

We host some exciting events for the local community such as our annual music festivals and fireworks night, as well as our monthly dog walk on the last Sunday of every month. We also host regular group meet-ups for a local walking club and knitting group. If you have a group that would like to meet at the pub just let us know. See our events page www.thekingstag.com/ events for further details. We hope you enjoy the whole experience.
